

The Arizona Trail

Completions By Members SaddleBrooke Hiking Club

The Arizona Trail is an 800+ mile recreation trail from Mexico to Utah that connects mountain ranges, canyons, deserts, forests, wilderness areas, historic sites, trail systems, points of interest, communities, and people. It serves dayhikers, backpackers, equestrians, mountain bicyclists, trail runners, nature enthusiasts, cross-country skiers, snowshoers, and mule and llama packers. Fifteen members of our club have completed the entire trail - congratulations to each of them on this significant accomplishment.
